From the Principal

NAPLAN Results
NAPLAN reports were sent home this week. I encourage you to spend some time talking through the results with your child in context of the greater learning that occurs in school and alongside the Term 2 report. If you would like to further discuss your child’s individual test results, please contact your child’s teacher and make a time to meet.

Staffing Update
Amalia Dalkos will be assisting in the Front Office for the next nine weeks, supporting Rebecca and Linda. Amalia joins us temporarily from Magill Primary School.

Enrolments for 2017
To assist us to effectively plan, it is important that we have accurate enrolment numbers of students for 2017. If your child will be leaving EAS at the end of this year, please inform Linda at the Front Office by Friday 16 September. If you have a child at preschool who you intend on starting at EAS, you must complete an enrolment form ASAP to ensure their position at EAS. You can notify the school via email to linda.fehlandt511@schools.sa.edu.au

Class placement information for 2017
Information on the class placement process for 2017 will be uploaded shortly to our school website http://www.eas.sa.edu.au/parent_information/policies_procedures.htm
Parents are requested to read the information fully and complete the class placement information form if you wish to provide information regarding your child/ren for 2017. Hard copies are available at the Front Office. Forms are to be returned the Front Office by Friday 16 September.

Grandparents/Special Friends Day
Thank you to all families who have supported the school fundraising through the purchasing of the 2016-2017 Entertainment Books. We have now sold out of books, however the traditional Book or Digital Membership is still available through the link below and for all of August the books have free delivery to your door.

Memberships cost $65.00 with $13.00 from each membership going towards school fundraising. If you are still requiring a membership please purchase one online at: www.entbook.com.au/16050y4.

Fundraising totals are being calculated and will be advised in a future newsletter.

Feeling unwell?
Parents are asked to closely monitor their children’s health as there are a number of illnesses circulating. We are experiencing a high number of students presenting to first aid, and ask that you keep children home from school if they are unwell. Students who have had gastro symptoms are to remain home until no vomiting or diarrhoea for 24 hours.

Father's Day Breakfast
The Parents and Friends Committee invites you to its annual Father’s Day Breakfast on Thursday 1 September from 7.30am to 8.45am. Order forms are available at the Front Office and must be returned with payment to the Uniform Shop by Tuesday 30 August 2016.

Father's Day Stall
The Parents and Friends Committee will be holding its annual Father’s Day Stall on Tuesday 30 August 1.45pm-3.00pm and Wednesday 31 August 9.00am-10.30am. All items cost $4.00. Each class will be allocated a time to purchase from the stall, with assistance of their teachers. Please check with your child’s teacher for your classroom’s day.

Footy Colours / Pyjama Day
Each year, Fight Cancer Foundation asks all Australians to unite in the fight against cancer and wear their favourite team’s colours. On Friday 9 September we are asking all students to wear their favourite sports teams colours or their pyjamas and bring a gold coin donation to raise much needed funds to fight against cancer.

News from Rooms 14, 15, 16 and 24

Rooms 14, 15, 16 and 24 have been working on the reading strategy Visualising. This is when readers use their prior knowledge and experiences to create a mental image of what is happening in the text.

We have also been sharing, exploring, creating and discussing texts written about Australia or by Australian authors for Book Week.
ICT Student Learning – Programming for Eye Gaze – Young ICT Explorers Competition 2016
Recently, a team of students entered the ‘Young ICT Explorers competition for 2016’. The team made up of Ben C, Harry W, Dillon C and Callum G with assistance from peers decided to program a series of games and software that could be used by students with disabilities. The students were inspired by a peer in their class who uses Eye Gaze as one form of communication. The students designed their games that were able to be operated with the existing eye gaze software. This would enable students with similar needs the opportunity to access their games. The games are all controlled only by using eye movements. The school is thrilled that their project was accepted for the next round and they have been invited to set up an ICT display of their project. It will be at The University of South Australia, Mawson Lakes Campus at the Mawson Centre, (Building MC) on Saturday 24 September. The students also presented their work at East Adelaide School’s ICT Expo, receiving wonderful feedback from the school community.

SAPSASA Orienteering Championship
On Monday 15 August 2016, students from years 4, 5, 6 and 7 competed in the SAPSASA Orienteering Championships at the Woodhouse Activity Centre in Piccadilly.

The scene was set for a lovely day of orienteering as the sun was out. Some students were already experiencing Olympic fever as they got ready for the competition. Fortunately, the team representing East Adelaide School won the SAPSASA orienteering event, marking the 22nd year in a row that EAS has won this event. Many EAS students received gold, silver or bronze medals for their efforts.

Congratulations to all students who participated in the SAPSASA event! Twenty-two years in a row is an amazing accomplishment. Thankyou to all staff, teachers and parents involved. Great job East Adelaide!

Debating News
On Tuesday 9 August, East Adelaide’s two debating teams, EAS Green and EAS Blue, had their fourth debate of the season. The topic of the debate was that ‘children on the naughty list should not get presents’. Both teams spoke for the affirmative side. Jasmin, Vasileia and Paris spoke for East Adelaide Blue and Isla, Tiam and Gemma spoke for East Adelaide Green. Unfortunately the Blue team lost their debate to Colonel Light Gardens Primary School but the Green team won against Uraidla Primary School. The debating team would also like to thank their coach Lindy Kelvin for helping them prepare for the debate.

Book Drive – Book Week and Indigenous Literacy Day
Many families in Australia do not have books in their homes, and a lot of these are from Aboriginal communities. Following Book Week, and to recognise Indigenous Literacy Day, we are asking that students find a book that they no longer read, that is in good condition, and bring it in to school between Monday 5 and Friday 9 September. The books will be distributed to Aboriginal communities around the state. We hope to collect as many books as possible to improve the love of reading and the literacy of these children.
**After School Sports News**

Registrations for Summer Sports are due next Wednesday 31 August.

Summer Sports include:

News from Parents and Friends

The 2016 East Adelaide School Quiz Night, held on Saturday 13 August, was the major fundraiser for the P&F this year. We are thrilled that $19,575 was raised! Those funds will be contributed to the Avenue of Trees, proposed for Yard B.

Congratulations to the winning tables on the night: the Tunis table came first, table Pac Man was second and the Leg Warmers came third.

A big thank you to all those involved in the organisation and execution of the Quiz Night! There is an enormous amount of work that happens in putting together an event like this and the more people involved to share the work load, the easier it is for all!

Thank you to all the sponsors for their donations towards the auctions and prizes. There were over 120 individual contributions from members of our school community and local businesses.

Looking forward to your support at our next event.
P&F Committee.
