Indigenous Literacy Day
September marks an important month of the year regarding Literacy and Numeracy: The celebration of national Indigenous Literacy Day on Wednesday 7 September aims to raise critical awareness in Australia – along with funds: to help deliver urgently needed resources to remote communities.

The Reconciliation Action Committee thanks the EAS students and community for their generous donations of pre-loved books in support of this wonderful cause. The committee will be organising a shipment of resources to be sent to Cooper Pedy Indigenous communities.

A special thank you goes to Ian Hodgson, Annie Steven and Verity May for their leadership with this endeavour.

External Review Update
The final school external review report has been uploaded on the school's website. Please take a few minutes to read the commendations and the four directions which will shape the future of East Adelaide School.

Class placement information for 2017
Information on the class placement process for 2017 has been uploaded to our school website. Parents are requested to read the information fully and complete the form if you wish to provide information regarding your child/ren for 2017. Hard copies are available at the Front Office. Forms are to be returned the Front Office by Friday 23 September.

Students on premises before and after school
There are more and more students coming to school before 8.30am. We request that parents bring their children to school at or after 8.30am. Teachers are on duty as of 8.30am.

In relation to after school, dismissal is at 3.10pm and we request that students leave the school grounds at that time.

Often students are found playing on the equipment after school. This causes confusion in Yard B as to who is in OSHC and who isn't. All children playing in Yard A must be directly supervised by an adult. We seek your co-operation in following these requests.

Orienteering
Congratulations to Liam O and Mitchell S on their outstanding results at the SA Schools Orienteering championships, held at Woodhouse Activity Centre on Monday 16 August. Liam and Mitchell placed in the top four of their age class.

Well done to all others who participated. East Adelaide School has won the trophy for the 21st year!

OSHC Vacation Care
The OSHC Vacation Care Program is now available on the school website. Bookings will be taken from 7.30am Monday 19 September (Week 9). Email bookings to Stephanie.

Parking Reminder
It is against the road rules to park and leave your car in the pick-up and drop-off zones on Second and Third Avenue. It also blocks the many drivers who are wanting to stop briefly to pick up their children; they then cruise around the school block again thereby increasing the volume of traffic and the risk to our children’s safety. There is plenty of legal parking within short walking distances. Please make the most of that.

Volunteer Training – Term 4
Existing volunteers do not have to repeat their Responding to Abuse and Neglect (RAN-EC) volunteer induction. They will only be required to be re-inducted if DECD makes significant changes to the training program. Sites will be advised by the corporate office if this needs to occur. Sessions are available at the following locations in Term 4; please contact the site to book into a session.

Influenza B
We have been advised of a confirmed case of Influenza B. Symptoms include rapid onset of fever, headache, muscle aches, fatigue, sneezing, running nose, sore throat, cough.

Infectious period (time during which an infected person can infect others) - Usually from 1 day before onset of symptoms until 7 days after the onset of symptoms. After 5 days the level of infectiousness is probably very low, however some people, especially children and people with weakened immune systems, might be able to infect others for a longer time.

Contact your local doctor if you have any concerns about your child’s health.
News from Parents and Friends

Quiz Night
There are a few sponsors who we need to add to the 'Thank You List' from the Quiz Night. As always, our community was very generous in supporting the Quiz Night and we like to acknowledge that formally. Thank you to Gowans Homes & Renovations, Some Food For Thought, Dan Murphy's Norwood and Wendy's Norwood.

Father's Day Breakfast
One of our favourite community events on the calendar at EAS is the Father's Day Breakfast. It's always lovely to see the men in our community come together at school and celebrate the role they play in the lives of our children. Thanks to some wonderful sponsors from within our community, we are able to turn the event into a fundraising activity as well. Thank you to Fryar's Kangaroo Island Free Range Eggs, Foodland Norwood, Goodman Fielder, Bakers Delight Avenues and Coles Avenues. A big thank you to the parents and staff who organised, cooked, served and packed up the breakfast. As always, it's a team effort!

Australia: Story country
No one can deny Book Week went off with a bang. Each day was jam-packed with fun activities. A big thank you to all the teachers, students, parents and grandparents involved in the festivities; it wouldn't have been the same without you!

Thank you to Mrs Tuck, Judith, Karen, Teresa, Josie and Anita for your fantastic lunch time stories; you made Book Week all the more interesting and appealing to the students.

The most spectacular event of Book Week, however, was without a doubt our annual costume parade. The participation from teachers and students alike was really great to see. Everyone's costumes were amazing and creative. Bravo!

A huge congratulations to the 2016 EAS Poetry Competition winners. They were George (Rm 15), Zoe (Rm 7), Sophie (Rm 26), Thomas (Rm 21), Naomi (Rm 9), Mara (Rm 9), Indigo (Rm 13), Holly (Rm 17), Leopold (Rm 14) and Paris (Rm 18).

Summer Sports Registrations
Thank you to all the families who have registered their children to participate in After School Sports over the Summer Season. There was a huge number of registrations, which is fantastic! Registrations, however, are now closed. Any registrations received from now will be placed on a waiting list with no guarantee of a placement in a team. There are a few teams, however, that do require additional players, so please contact me if you would like further information.

All the Summer registration details have been entered and there is a coaches’ meeting next week, Monday 12 September at 7.00pm to discuss team nominations and player allocation. After this meeting, details regarding your child's coach, training time, uniform requirements, game times etc will be finalised. Notes will then be distributed to your child via their classroom by Week 10 at the latest.

Coaches Wanted
As a result of the fantastic number of children registered for Summer Sports, we are looking for additional Basketball and Cricket Coaches to assist with the various age groups. We are also looking for a Netball Skills coach or coaches to assist in Term 4. If you are interested in coaching Basketball, Netball Skills or Cricket, please contact me.

Uniforms
Could all parents please return your child's sporting top to school, washed and with their name attached, once they have completed their winter season sport. Any sporting tops that are unaccounted for will be chased up. Unfortunately any missing sporting tops need to be replaced and we would hate to increase After School Sports Fees to cover lost sporting tops. Thank you for helping with this process.

Thank you also to the coaches who have already collected, washed and returned their teams uniforms and kits.

Sports Results
Year 2/3 Soccer Team coached by Anna Pannell
After a tough season, the team played a fantastic last game and ended up with their first win! Everyone played well and there was lots of controlled passing. Olivia and Joshua scored goals and there were more kicks on goal than in any previous game. Great game to finish the season on. Congratulations to the team!!

Winter Sports Presentation
The After School Sports Winter Sports Presentation Night is being held on Friday 23 September at 6.00pm in the Sports Gym. Trophies will be presented to students who have played Basketball, Cheerleading (Term 2), Football, Netball or Soccer in Terms 2 and 3. Medals will be presented to students who participated in Netball Skills (Terms 2 and 3), and Soccer Skills (Terms 2 and 3). Certificates will be presented to Auskick participants from East Adelaide School. Over 400 children participated in After School Sports over the winter season which is a fantastic effort. Come along to a great night of celebrations!

The Secret of Behavioural Change In Kids
FREE Parent Education Seminar by Mark Le Messurier
Do you know the reasons for your child's behaviour? How does behaviour work?
Do you have an intelligent plan to manage your kids wisely?
New research confirms that how we live, love and interact with our kids has a big influence on their brain development. The secret to success lies in our capacity to reflect on what we are doing and to adjust our actions as required. The seminar will cover behaviour, the difference between 'reward' and 'ignoring attention', fine-tuning your style, and new fresh ideas for the tricky moments.

Tuesday 20 September 2016, 6.30-8pm
Fullarton Park Community Centre (Use Front Entrance)
Bookings essential as places are limited: phone 8372 5180
Suitable for adults only
