EAS Good News Stories
Did you know ….
Rooms 24 and 9 were active participants at the opening of OzAsia Festival through the Moon Lantern parade. Kylie Kelly and Dagmar Keady have worked tirelessly in preparing the lanterns for the parade, in particular the significant school lantern which was designed by Madeleine C.

Our students have featured on BTN and Kylie has been interviewed on radio. A notable recognition of teacher’s work and of the school.

Mr Jessett’s year 6/7 students have been featured on BTN this week highlighting their work in supporting Max P, a student with cerebral palsy, with the use of technology tools and their use of computational thinking. They have developed games enabling Max to strengthen his eye gaze which in turn enhances his ability to communicate.

A group of boys who have developed the games also entered a UniSA technology competition based on this programing and coding. Their work will be exhibited and assessed this Saturday 24 September at UniSA Mawson Lakes.

Further to this work, the classroom teacher and School Services Officer have been invited to lead a seminar with Max on their collaboration to support successful integration of students with disabilities in the classroom.

Belinda Robertson and Adele Giannone presented their focus on Mathematics through deeper questioning of students, at a state-wide Literacy and Numeracy conference. This acknowledges the cutting edge work of these teachers and recognises the quality work of all teachers at EAS.

Two year 5 classes have been hard at work developing business models, developing marketing and sales strategies and then putting these ideas into practice as part of their Economics unit of work. This unit has had re-sounding impact on student learning through a real life project based process. Students are currently undertaking the evaluation process, working on what they would do differently in the future to improve strategies and profit. A tidy little profit has been made which will go towards seeding other such great initiatives.

Sunday night saw the School Choir perform at the Festival of Music. Congratulations to each of the students who remained dedicated to the practices throughout the year and for the fabulous performance on the night.

I thank Larissa Maher for her commitment to working with the choir, a thank you to Brad Hoare and Heather Douglas who supported on the night, and parent volunteers who continue to support school programs and such events.

Wednesday night 14 September EAS school members were special guests of Mayor Robert Bria to celebrate the school’s 130th Birthday.

The School Ambassador presented 4 very powerful speeches about their school, its history and the impact education at EAS school has had on individuals.

We were also presented with a 130th Birthday plaque to commemorate this significant event in our history.

Vicki Stravinski
Principal

OSHC Vacation Care
The OSHC Vacation Care Program is now available on the school website. Bookings can now be made by email to steph.thomas139@schools.sa.edu.au

Lost Property
The school lost property baskets are overflowing! Please check the baskets for items before the holidays. We also have lost property from swimming (goggles) in the Front Office.

Excursions/Incursions
Wednesday 28 September
Year 4/5 Mixed Tackle Rugby Carnival

Uniform Shop Opening Hours
From Term 4 the Uniform Shop will be open at the following times.
- Monday 8.30am – 9.15am
- Tuesday 8.30am – 9.15am / 3.00pm – 4.00pm
- Wednesday 8.30am – 9.15am
- Thursday 8.30am – 9.15am

Chess
In Term 4, Chess will be available to existing and new participants. Held every Wednesday 3.30pm to 4.15pm from 19 October. There is a cost of $40 per student for the term. Information and registration forms are available at the Front Office. Payment must be received by Thursday 27 October.

Morialta Partnership STEM Club
Registration forms are available from the Front Office for students in year 5-7. Registration of interest needs to be returned to the Front Office by Tuesday 27 September.

Save the Date
Thursday 3 November – Volunteers Afternoon Tea
Friday 4 November – Grandparents Day
Friday 9 December – Carols in the Park
Wednesday 14 December – Year 7 Graduation

Festival of Music
On Sunday 18 September, the East Adelaide School Choir students participated in the Festival of Music at the Festival Theatre. The commissioned work this year was ‘Mission Possible’. It focused on educating the audience about environmental issues and how we can help save our planet. Our students were highly disciplined and sang so beautifully.

It has been an absolute pleasure to work with such a committed group of students and I look forward to the new repertoire next year.

On behalf of the Choir, I would like to thank all family, friends, parents, students and staff who came to support us on the night. We really appreciated your positive feedback and cheers as we exited the theatre.

Well done everyone!
Larissa Maher

Volunteer Training – Term 4
Existing volunteers do not have to repeat their Responding to Abuse and Neglect (RAN-EC) volunteer induction. They will only be required to be re-inducted if DECD makes significant changes to the training program. Sites will be advised by the corporate office if this needs to occur. Sessions are available at the following locations in Term 4; please contact the site to book into a session.

- **East Adelaide School**
  - Tuesday 18 October 6.00pm – 8.00pm
  - Friday 28 October 9.00am – 11.00am

- **Vale Park Primary School**
  - Tuesday 1 November 6.00pm – 8.00pm

- **Trinity Gardens Primary School**
  - Monday 7 November 9.00am – 11.00am

- **Stradbroke School**
  - Friday 2 December 9.00am – 11.00am
After School Sports News

After School Sports Winter Presentation Night
Tonight at 6.00pm in the School Gym, the After School Sports Winter Presentation Night will be held. Trophies will be presented to children who participated in Basketball, Cheerleading, Football, Netball and Soccer in Terms 2 and 3. Medals will be presented to children who participated in Netball Skills and Soccer Skills in Terms 2 and 3 and certificates will be presented to children who participated in Auskick. If you are unable to make the presentation night, students can pick up their trophies, medals or certificates from me on Tuesday, Wednesday or Friday next week. We look forward to celebrating with you tonight!

Netball Skills & Soccer Skills
Tomorrow (Saturday 24 September), is the final session for both Netball Skills and Soccer Skills in Term 3. Thank you to Lucinda Dolan and Carrie Phillis for coaching Netball Skills and to Josh Sutton for coaching Soccer Skills in Term 3. A huge thank you also to all the parents who supported the coaches each week by assisting with drills and games etc. We are still looking for a Netball Skills coach to help us in Term 4, so if you are interested, please contact me.

Summer Sports
All students who have registered to participate in Summer Sports in Term 4, will receive their team allocation details next week, week 10. If you have any concerns about your child's placement, please contact me directly; please do not contact the sports coaches.

After School Sports Surveys
In the coming week, parents whose children have been involved in After School Sports over the Winter Season, will receive an email with a link to an After School Sports Survey. We would appreciate you taking 5 minutes to complete the short survey. The feedback from the survey will be valuable in helping to improve our processes, introducing new sports to the After School Sports Program and to further develop After School Sports at East Adelaide School.

Independent Music Tutors
It has been a busy musical term for everyone, especially for students preparing for AMEB music examinations, which are coming up soon in early November. Good luck to all candidates - your commitment and hard work will definitely pay off!

Students learning an instrument at the school will also have an opportunity to showcase their talents at the Musical Evening next term. This is coming up early in the term on Wednesday 2 November (Week 3), so students need to be thinking about what piece they would like to play and let their tutors know. Please choose one short piece that demonstrates your current abilities.

For new students wishing to enquire about starting lessons in Term 4, the yellow enrolment forms are available at the front office, or alternatively please contact:
Michael Beare (piano/keyboard/clarinet/saxophone) 0403 004 733 michaelbeare@adam.com.au

News from Senior Journalists

Festival of Music – An interview with Miss Larissa
On Sunday 18 September, the choir students went to the Festival Theatre to perform in the Festival of Music. We interviewed Miss Larissa who said that it was a fantastic opportunity for our choir students to learn more about singing and performing in front of a live audience at the Festival Theatre. She also said that the preparation went well although it was very busy because the choir was given new choreography at the last minute. Nevertheless, the choir students picked it up really quickly and performed it well on the night. We also interviewed Garima from Room 23 who said, “The festival went well. We did some dance moves and it was kind of fun because Channel 7 was interviewing us and we got to be on TV.” She also mentioned that it was really interesting to see everyone’s different styles of singing. Congratulations to Miss Larissa and the choir for a very successful Festival of Music 2016!

Rama and Hannah N

Moon Lantern Festival
On Sunday 18 September, the Moon Lantern Festival was held in Elder Park. The festival is held every year as part of the OzAsia Festival and includes the Moon Lantern Parade as well as many other fun performances.

There had been a lantern designing competition at the school, and the winner would get their design made into an actual lantern that would be in the parade. They would also have appearances on Totally Wild and BTN. The final design that was chosen was by Madeleine C (Year 7).

Mrs Kelly and a number of students were responsible for making the large lantern, as well as 70 smaller lanterns in the shapes of stars and moons to represent Chinese Mythology.

We interviewed Mrs Kelly and Nikos from Room 24 on the making of the lanterns.

Mrs Kelly said she was very excited about the festival as Channels 10 and 7’s TV crew had come out for the night to film them. To make the lanterns, they had used cane (as bamboo is not as easy to bend) and strong tape to make the frame. They then covered the frames in PVA glue/water covered rice paper and painted it with food colouring mixed with glue. Mrs Kelly said she was very happy with the outcome of the lanterns and thanks everyone for their help and support. She told us that the whole thing was an amazing opportunity and though it was stressful, she would do it again.

Nikos (student from room 24) said that the lanterns were quite hard to make but he really enjoyed making them.

Madeleine (room 18) said she was very excited when she found out her design was chosen. She is also very happy with the outcome.

By Hannah N, Senior Journalist

SAPSASA Athletics Carnival
On Tuesday 6 August, several students from our school were selected to represent East Adelaide in the SAPSASA athletics carnival. All of our students did extremely well but some special mentions to the following students who placed in the top three in their categories: Matthew J, Lucas B, Hannah B, Bill K, Christina T and Eliza R. We would like to thank all the students who participated, our PE teacher, Katherine Natalie, and Kate, our pastoral care worker, for coming to the event.

Debating
On Tuesday 23 August, the two East Adelaide debating teams had their last debate of the season. Both of the teams were on the negative side and the topic was that ‘cloth nappies are better than disposable nappies’. The Blue team won their debate against Parkside Primary School but unfortunately the Green team lost against Mercedes College. Both teams came in the top 25 out of 77 schools in the year 6/7 division and did extremely well throughout the whole competition. The teams would also like to thank their coaches Sam Hutton and Lindy Kelvin for helping them put together some amazing arguments!

Blue Team: Paris H, Jasmin O, Kate T, Amelia B, Joy K and Vasilieia M
Green Team: Madeleine C, Gemma V, Isla T, Tiar T, Bella R and Emma H

Canteen News
As next week will be the last week of term, the Canteen will be reducing its stock. Please give an alternative item on your child’s lunch order so that if the first choice is not available, then hopefully their second choice will be.

Please remember we are always needing more volunteers. If you are available to help during Term 4, please contact either Julie or Lisa in the Canteen on 8362 5221. Any time you have to spare is really appreciated.
News from Italian R-7
This term, Italian language learning (R-7) was based on the topic, ‘I Giochi Olimpici’ (The Olympic Games). Students were very excited and interested in developing their Italian language and skills using this particular topic, not only because it was an ‘authentic’ experience as it coincided with the celebration of the Olympic Games in Rio de Janeiro, but also because they were able to connect their learning to classroom activities related to this topic.

During students’ lessons, oral language skills were developed through ‘mini dialogues’ about Olympic events and features. Students exchanged information about: names of participating countries including features of their flags, Olympic symbols, names of various sports, names and characteristics of athletes representing certain sports, etc.

Students also developed literacy, cultural, intercultural, creative and reflective skills by completing a range of set tasks and activities.

This term, we were also fortunate to have Maria Guglielminotti, an Italian bilingual assistant, sponsored by the Dante Alighieri Society, interacting with students in several of the R-7 classes. Maria assisted the teachers in the delivery and planning of classroom programs as well as being an authentic Italian resource for the students.

Reception – Year 2:
The students in Junior Primary inquired into the Mascots of Rio focusing on their characteristics and how they were designed to represent Brazil. There was lots of discussion about why events, sporting teams and even schools have mascots. The children then designed Mascots to represent themselves. They wrote descriptions including their qualities, favourite things, sporting interests and nationality.

Adriana Moretta
News from Italian R-7

Years 3 and 4:
As a summative task, Year 3 and 4 students were asked to design and write a ‘postcard’ to class peers depicting Rio de Janeiro landmarks and Olympic Games graphics. The postcard text contained information about students’ experiences during their ‘stay’ in Rio de Janeiro while ‘attending’ the 2016 Olympic Games.

Tonia

Years 5, 6 and 7:
The students in year 5 designed a mascot that represents our school. They wrote a detailed description about their mascot conveying its symbolism.

The students in Year 6/7 researched an Olympic athlete and created a profile which they orally presented to the class.
