Term 4 Week 1

Friday 18 October 2019

From the Acting Principal

Dear Parents and Caregivers

It has been a lovely start to term 4. With Belinda Robertson, I have begun my week with a tour of the school and it was heart warming to see students eager to learn and staff creating explicit and exciting learning opportunities.

As a Principal / Consultant, I have the privilege to visit and work with Principals in our cluster of schools, ranging from Prospect North to Black Forest and over to Linden Park.

The opportunity to learn more about East Adelaide as a Principal has not been disappointing.

My first impressions: this school and its community is impressive. I have been made to feel very welcome by all. On my walk around I have observed the students ability to articulate what they are currently learning and what they need to learn next. The lesson content had me asking students to come and see me with their final products.

I was really keen to see the STEM projects being prepared for the STEM Works Professional Learning Day next week. Students were really eager to share their projects with me. The high calibre of work that is being presented is a credit to this school. This of course could not be achieved without the highly professional staff team working diligently to ensure success and constructive learning for their students.

Today we had the Run4Fun Colour Day. I understand the volunteer parents have led the way and I personally thank them along with our staff and students for such a fun day. I loved being splashed with colour with the students to raise money for the worthy cause of a Nature Play Area.

Thanks again for your warm welcome.

*Kindest regards
Fione Love*
