Remembrance Day Ceremony

On Monday 11 November the year 5 students hosted a Remembrance Day Ceremony to remember the sacrifices people and animals made in wars. We sang 2 songs, listened to a veteran talk about his experiences in the Vietnam war, recited poems and created a poppy field masterpiece around a large cross where two students placed a wreath. A visiting trumpeter played the last post followed by a minute's silence that concluded our assembly.

After this the year 5 students walked to the St Peter's War Memorial and visited nearby churches where we learnt more about the harsh times of leaving home and losing family members in war.

It made us appreciate our life here and how the soldiers, nurses and animals gave their lives so that we could have ours. **Mariam, Sahara, Nakita (Year 5 students)**

Thank you to Blooms, Spicer Uniting, All Souls Anglican Church, Belinda A's father, Studio Vino, Andrew Parkinson, the year 7 technicians and all who helped us on the day. **Kate A (Year 5 Teacher)**

Congratulations to our Year 5 team who hosted an outstanding Remembrance Day Assembly. **Vicki S (Principal)**

OSHC News

Out of Bounds

I ask all our families to reiterate the importance of staying within the appropriate boundaries whilst attending Outside of School Hours Care following recent issues. Similar to school hours, red lines at OSHC indicate 'Out of Bounds' for children. Children are required to stay within sight of an educator wearing a bright hi-vis vest at all times. It is vital children understand that our expectations are the same as during school hours and we thank you for your cooperation in helping enforce this message to the children

Sign In/Sign Out

Please note that children are not to be encouraged to sign themselves out of Outside School Hours Care using a parents login details. Please do not share your login details with your children. The Sign In/Sign Out process is a legal requirement through Centrelink and must be done by an approved person assigned to collect a child or an OSHC educator only.

2020 Booking Form

With this year fast coming to an end, the service is in the process of looking at our numbers and bookings for 2020. To assist with this planning, a 2020 booking form is now available. Similar to previous years, please note that OSHC bookings will not carry over to the new school year and a new booking form will need to be completed. If you require casual bookings, please record this on the form so we are aware. Forms are required before the end of this term – if you are unsure about work for next year this is fine, just let us know.

We also require notification of any new siblings who will be beginning at East Adelaide in 2020. If your child will not be requiring OSHC in 2020 please advise

Fee Increase 2020

Last term, the East Adelaide Governing Council approved a fee increase. Fees are reviewed regularly at the service and are increased from time to time to fund the OSHC program. Commencing January 2020, After School Care fees will increase from the current \$16 to \$18 per session. Commencing December Vacation Care, the Incursion and Excursion fees will be increased by \$5 – i.e. an Incursion will be \$60 and an Excursion will now be \$65.

End of Year Party

We invite all our OSHC families to join us for an end of year celebration on December 3 in Yard B from 3:30pm. Activities will include a sausage sizzle, face painting, slushie machine, BBQ and a visit by Santa!

Basketball/Yoga Term 4

The service is running Basketball (Rec - Year 4) on Thursday afternoons as part of our program from 4.00 to 5.00pm. These sessions are run by the Stay Active company. We are also continuing to offer Yoga on a Wednesday afternoon from 4-5. Please contact us if your child is interested in joining.

Hutt Street Centre Donations

On behalf of the Year 2 students and teachers we would like to say a BIG thank you to all the staff and students for supporting in collecting water bottles for the Hutt Street Centre. We have had great feedback from the organisation, parents and children on this great gesture.

We have been able to see first hand how much our little part has played in helping our wider community especially on the warmer days.

We will be continuing to collect water bottle donations until the end of this week. Could you please remind the students to bring in their water bottles by the end of the week if they would like to help.

Thanks,
Year 2 Team

Student Successes

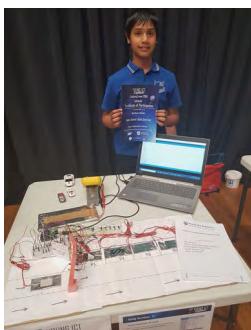

Clayton

Congratulations to Clayton (left) for his outstanding achievement in the 2019 Junior Division Mathematical Olympiad. Clayton ranked in the top 2% of students in SA and NT.

Akshat

The Young ICT Explorer 2019 Roadshow competition was organised separately at Adelaide, Canberra, Hobart and Auckland. A total of 118 projects were showcased by 291 students for all years and around 80 projects were presented in the year 5-6 category. Akshat (below) won second place as overall winner for four cities in year 5-6 category for his project " Smart Airport Quick Stop Zone" powered by Arduino.

School of Languages

The School of Languages is a government school that specialises in language education. Classes are held in schools across Adelaide after hours, enabling students to benefit from learning a language or building upon the language spoken at home. In 2020 Reception - Year 7 programs will be offered in the following languages: Afrikaans, Arabic, Auslan, Chinese, French, Hindi, Indonesian, Italian, Japanese, Khmer, Korean, Polish (Year 7 only), Spanish and Vietnamese.

A sample Reception - Year 10 enrolment form along with the schools prospectus can be viewed at the EAS front office. Writable PDF versions of this form and all of the above mentioned documents are available at any time on the School of Language's website at www.schooloflanguages.sa.edu.au. If you have any questions about the courses or enrolment procedures please do not hesitate to contact the School of Languages on 8301 4800.

Library News

I thought I would share this link from The Guardian. The article is based on the research of Dr Alice Sullivan Director of the 1970 British Cohort Study, Centre for Longitudinal Studies, University of London.

"Reading for pleasure improves not just literacy but Maths too."

Bagels and Book-covering in the library...

Thank you to Miranda, Jo, Mary, Maria, Sharyn, Helen and Jan.
In two and a half hours we covered 95 books and it was fun.

With help with book-covering we can get the books out into circulation to your children much quicker. Many hands make light work!

Parents, if you would like to help in the library, you are most welcome!
