#### **Our Vision Statement**

*To offer a safe, friendly environment where children can develop their identity and well-being. We aim to nurture positive relationships and promote cooperative and collaborative behaviour*

#### **Our History**

**EAST ADELAIDE OUT OF SCHOOL HOURS CARE (OSHC)** has been operating since the early 1980's. It has since grown into a dynamic program catering for up to 160 primary school children per day in the renovated facility, "The House", on the school site.

**The center has been approved by the Education and Early Childhood Services Registration and Standards Board of South Australia.**

#### **OUR PHILOSOPHY**

East Adelaide Out of School Hours Care (OSHC) is committed to providing high quality care in a safe, secure learning environment for school aged children. We believe it is important for children to feel comfortable so they can develop confidence in their interactions with educators and their peers. Educators collaborate with children and support their well-being, learning and development. East Adelaide OSHC supports and incorporates the philosophy and values of the school **Responsibility, Relationships, Resilience and Respect** and we use this in our planning and day to day running of the program. We value the diversity and cultural backgrounds of all our families at this service. We embrace opportunities for incidental learning and enhanced living skills while having a fun and recreational program.

We will strive to do this by ensuring all children to meet the needs of the outcomes of the National Quality Framework:

- Children have a strong sense of identity
  - Children are connected with and contribute to their world.
  - Children have a strong sense of well-being.
  - Children are involved learners.
  - Children are effective communicators.
- Maintain children's sense of belonging at OSHC by encouraging their involvement in programming for a wide range of activities.
  - To welcome families from culturally and linguistically diverse backgrounds. We promote an understanding of diversity in an enriched inclusive and welcoming environment.
  - Adhere to and follow the schools vision and values, Responsibility, Relationships, Resilience and Respect.
  - Cater for dietary and individual nutritional needs by adhering to the Department for Education 'Right Bite' Policy and with Australian Dietary guidelines for Children and Adolescents.
  - To collaborate with East Adelaide OSHC Advisory Committee to attend to families' needs and requests wherever possible.

## **AIM**

Our aim is to provide:

- High quality recreational care for primary aged children (5-12 years), in a warm, comfortable and safe environment that will foster the child's sense of self worth, nurture positive group relationships and foster cooperative and collaborative behavior.
- A convenient and cost effective service to support families during Out of School Hours and School Holiday periods.

## **TRANSLATION SERVICE**

The centre has the ability to access translation services if necessary. The centre, through Diversity Directions, and the Migrant and Ethnic Services can obtain translations for families if the need arises. Please feel free to talk to staff relating to this.

## **ACTIVITIES AT THE CENTRE**

The Centre's Vision statement and Aim underpin the program.

The program is written on a weekly basis for Before and After School Care. A special Vacation Care program is prepared and advertised three weeks before the end of each term.

East Adelaide Out of School Hours Care believes that it is important to create an environment that allows for challenging, fun and child initiated activities. We aim to provide a quality program that meets the children's varying developmental stages and ages in a comfortable and play based quality centre. Programs for children are inclusive of the cultural and linguistic diversity of all families using the service and support children to explore a range of experiences in an environment free from prejudice and harassment.

We also access a range of school facilities such as the gym, library and performing arts room during both the term and vacation care periods. An OSHC staff member is always present in these areas and they have a walkie talkie and first aid kit

## **ENROLLING YOUR CHILD & BOOKINGS**

An enrolment form **MUST** be completed by parents/guardians before a child can attend the Out of School Hours Care Centre. An enrolment form can be submitted online through the Fully Booked Family Portal on the East Adelaide School website. All sections on the enrolment form must be completed before bookings can be accepted through the portal. Please contact the Director to discuss any issues with enrolment.

Families can manage bookings through the Fully Booked family portal on the school website. Please ensure you let the service know if your child is unwell or will not be attending a particular session.

Phone (08) 8362 6585 or leave a message if the Centre is unattended.
